U dressing room -- Coach Charles McClendon:

"Have you seen such big backs with great speed?

"They didn't surprise us. We knew Colorado had good talent. And they came to play. They run the triple option effectively and made us respect their running backs inside.

"We didn't play well at all. We weren't throwing the ball well. We dropped some touchdown passes. You can't do this against a good team like Colorado and win.

"There weren't many bright spots for us. We covered punts well except for one -- and Branch broke loose on that one so we couldn't be pleased with that phase of the game.

"Colorado will be one of the top offensive teams in the country. They have a balanced attack and some tremendous personnel. You can't make mistakes against good teams and expect to win.

"Let's give Colorado credit. They did a fine job at the line of scrimmage, their running backs were some of the best we have ever seen and their passing game complimented it.

Statement by Coach Eddie Crowder, ~~Head Coach~~

This was a really big win for us.

We beat a very good football team, one which will jell with experience and give a lot of folks some problems later in the season.

ISU played a pressing defence to a much greater extent ~~than~~ than I figured ~~by~~ they would, which accounts for some of the fumbles which we made.

Breaks for each team were important but in the long run I feel they about ~~evened~~ evened out.

We meet ~~Wyoming~~ Wyoming next week and Ohio State the <sup>2</sup> week after, so we have our work cut out for us for sure, but this was a good way to get the season rolling.
