Quotes from Notre Dame Coach Ara Parseghian:

LSU played very well, had a great game plan and deserved to win

They shut us off several times on short yardage situations and that ~~had~~ hurt us very much

I have nothing but praise for Coach McClendon and his squad, and wish them well for the ~~remainder~~ rest of the year.

The tremendous crowd noise of the fans had no effect on our squad, and I was not effected. The LSU fans support the Tigers well, and well ~~they~~ ~~we~~ should. They ~~are~~ have a ~~lot~~ lot to be proud of.

We have no excuses. LSU played a splendid game plan, and I do not ~~not~~ think that our vote not to go ~~to~~ a bowl this year was a factor in our effort.

LSU had a very good night, defensively, and they shut us off on at least ~~two~~ two or three touchdowns by splendid ~~individual~~ individual efforts.

I would like to meet LSU regularly; It would make a great series.

Quotes from Ed ~~McClendon~~ "Moose" Krause, N. D. athletic director

I would like to meet LSU in football regularly. Our ten-game schedule is complete through 1985, though. Possibly something ~~can~~ can be ~~worked~~ worked out past that time, or if we go to ~~xx~~ eleven games, possibly we can get ~~put~~ together sooner.

Ask Carl Madaox to call me about it, will you.

EEEEEEEEE

QUOTES FROM CHOLLY MAC.....

I've been at LSU 19 years and this was the ~~year~~ greatest victory in Tiger Stadium in
at time. How sweet it is! That was just great, just great.

Is that Hamilton one of the greatest? He just was fabulous.

We were ready for this one. In the dressing room before the game it was very quiet.
Nobody had anything to say they were just getting themselves ready to come out and
explode.

We knew about the Notre Dame record of no points allowed in the second half this
season and none in the fourth quarter in 20 straight games. We came out for the
second half intent on breaking that and we did it. If we hadn't scored on that
last pass to Andy we would have lined up and gone for a field goal.

We had a little lull in the second because we had bad field position all during the
quarter, but we didn't fold.

That defense was just fantastic. They stood in there and that made the difference.

You know this is a game of mental attitudes. Physically we don't belong on the
same field with Notre Dame, but we were mentally ready and we proved what we
could do.

Notre Dame is one fine football team, but we proved we were a better one.

We picked our plays and executed them the way they're supposed to be.

Isn't that Casanova something? He's a real beauty. That interception he made
for the touchback showed the kind of speed and reactions he has. He really
has it and now you know how much we've missed him when he was out.
