~~QUOTES FROM LSU HEAD COACH CHARLIE MCELLENOR~~

QUOTES FROM RICE HEAD COACH RAY ALBORN:

"We thought they would throw, hell they threw 27 times last week. We only got 33 Or 36 snaps in the first half and when the defense stays out on the field that long, you're gonna get whipped. By far the best team we've faced all year. They execute a very well especially that quarterback Woodley. They are just more physical than h the other people we've played and they completelu dominated us. We haven't faced any body like this. Not even a haven't been x dominated physically like this. Hertle just stung his ankle, sonthing he has had before. The officiating didn't beat us, I promise you that. We were unable to pick up their safetys a couple of times. But again it was the physical domination. Ifelt the field goal right of the bat would give us a lift. We came right back down with the ball and they whipped us. We didn't stop ourselves, they stopped us. They manhandled us and I am sure they will manhankle a lot of people before the year is out. They execute better and are more physical than last year. They're playeng very good football right now and except for thaat one fumble, they're not making any errors. They got some kids that can paly defense, just wait till the pro draft. Those guys that are seniors are going to get snapped up. We know he wasn't an Alexander as a breakaway threat but he ran hard, hell he ran right through us.
