Comments from Coach McClendon:

"They were some kind of physical ball club."

"The fourth quarter was all ours. Your supposed to be physical expecially in the later portions of the game, and we were. It payed off for us."

"I said from the beginning Kentucky was going to be very physical, and they were. Our defense made a couple of big plays and that's just what we needed."

"The first half we could not get our game plan going. We had to junk our game plan and just run with piece meal plays. We had to go to the outside most of the game and I was real pleased with the way we handled Kentycky's blitz."

"Kentycky has to be congratulated. They are an excellent ball club. "

"Their quarterback (Henry) is one to look out for. He's going to be a good one."

"I don't think our kids realized how far down wer were, but we came back when we had to."

Comments from Coach Curci:

"It was a classic great game. I can't think of a better person to lose to than Charlie McClendon."

"We controlled the ball game until the interferred call. That got the fans fired up. It broke the game open. After that it was just a matter of time."

"LSU is a good football team. They had too much speed for us."

"We ran hard, played hard, and did everything we could do. Our guys couldn't have played any better. I think we were the better team tonight but LSU had too much class. We don't have the athletes they have."

"I've played LSU for years and years and ~~you have to go right at them;~~ you can't get fancy."

On Terry Henry:

"Terry Henry played exceptionally well. When the guys play this well they deserve a break. The key to playing LSU is not to get the fans riled up ~~up~~."

On out of bounds kick-off play:

"The guys couldn't hear down there, and that led to a fumble."
