Quotes from Coach Stovall:

"I think we have a good effort offensively! I think we had more consistency and I think we scored touchdowns, three of the first four times we had it and came back to move the ball. Our club has been trained to get aggressive all along."

"The young men were playing hard on both sides. ~~xx~~Rice is a good football team and is improving all the time."

"(On Fisher's LSU record 12 straight completions) "

"He continues to mature. The football team made progress and will continue to do so."

"We got better than we were last week. We hope to improve next week. That is what we have to do."

"In reference to the purple jerseys. This is the only time I plan to use them. I like the purple jerseys and right back to the day I became head coach will wear purple at home sometimes, but not again this year."

"We forced them to do some things offensively that made it a little bit easier for us defensively."

Quotes from Rice Coach Ray Alborn:

"We've got a lot of puppies (young players) and we haven't had a chance to play a lot. We had unbelievable effort. I think Calhoun played very well."

On first drive--"When you take the ball 77 yards in Tiger Stadium with a bunch of puppies, well, that's saying something."

On Hubble--"We tried to throw the ball to him in previous games. But Calhoun just played the wishbone in junior college and he just hasn't seen it. He found Hubble more tonight."

On LSU's problems in defensive secondary--"We've never seen LSU when they don't have good athletes. We knew they had some problems out there, but you can't change your entire offense to ~~attake~~ attack one thing."

"I don't think the crowd was a factor here. I've been here since ~~1952~~ 1957 and I can see what they can do to a team."

"Effort-wise, there was nothing wrong tonight."
