QUOTES FROM LSU'S JERRY STOVALL:

"They (Mississippi State) played very well and I think they dominated up front."

"We didn't feel like we could run a great deal. We did it to keep them honest. We did plan to have to pass."

"We didn't lose any intensity with the week off. WE JUST PLAYED A TEAM WHICH played very well."

"I was proud of the intensity with which they played, especially in the second half. Big plays they got on us throwing the football and their defense did a good job."

"Their defensive line did a great job. They came in a four man rush and just overpowered us and the seven man line and the blitz all gave us something different to look at and all gave us some problems."

QUOTES FROM MISSISSIPPI STATE'S EMORY BELLARD:

"We made it hairy again. That's our style. It always seems to go down to the wire. This was a really important win. We needed it. Our team has fought back hard from adversity."

"LSU played with great aggressiveness and fought hard too. We were playing in the second half for field position and then LSU hit that pattern in the flat and got the ball out to mid-field. That was a big play."

"Our defense pressured them well. The front four did a very good job of applying this pressure the whole game."

"You can't just live by the blitz. You have to have some coverage too. "

"We tried to establish our options there at the first of the game. We also had several things pass-wise we thought we could do. We had the game in really good control in the first half and ~~for~~ during the third quarter. Then we had those two fumbles and the missed field goal. That field goal would have made a whale of a lot of difference."
