VANDERBILT HEAD COACH GEORGE MACINTYRE:

"It's a crazy game for sure. I think we gained a lot tonight. That's hard to say after a loss but the way we ~~suck~~ sucked up our guts in the second half is going to help us down the line. I've never been prouder of a team than I am of that bunch in our locker room.

"They threw ~~that~~ that ball out there that Armando (Fitz) took in for a touchdown and that seemed to spark us. (Mark) Wracher did a good job. He's a little taller than Kurt (Page) and could maybe see over their linemen a little better. Mobility wasn't much of a factor because it was so muddy out there that nobody could move around too well. We had a couple of passes dropped in the fourth quarter that might have made it even closer.

"I want to compliment the LSU crowd. This is a great place to play football. LSU has a great football team--the best we've played. They have a good chance to go all the way. I think they are the best team in our conference. "

Quotes

LSU Head Coach Bill Arnsparger: "It was a win. You guys (in the media) who criticized us for not starting fast should be happy."

"We did some good things and some not so good. I was pleased with the fact that we didn't have to lose to learn. We had mistakes. We got careless, we didn't relax. Maybe that's what it takes for us to get better."

We did a pretty good job defensively. We had a shutout (no touchdowns) until last in the ballgame."

(Did you feel the game slipping away?) "No. At times we weren't playing well, but I never thought it was slipping away."

"There were a lot of positive things. The punt return game was positive and our offense and defense, early, were positive."

"Our defense played well most of the game. Had a good rush and good coverage. The (Vandy) dropped some balls, so we were able to overcome our errors. "

"We won a big ball game and we're still in the conference race."
