NOTRE DAME VS LSU
Coaches Quotes

LSU head coach Bill Arnsparger: "(Did ND play better than you expected?) "Not better than I expected. Better, though, than we've been reading and hearing about, but not better than I and our football thought. That was our hardest job this week. To get accross that they are a good football team.

"They (ND) were better than we were today."

"I thought after the first part of the game they dominated. We missed some ~~opportuni~~ opportunities to score early in the game. But give the credit to them (ND)."

(On ND's offense) "They did the same things they've been doing all along. We didn't put any pressure on their quarterback and they put pressure on ours."

"We didn't get anything sustained in the 2nd quarter and got dominated defensively. I thought we did a better job in the second half."

"Notre Dame is a good football team. They've gone through a lot of adversity. Give them all the credit."
