OLE MISS vs. LSU  
Coaches Quotes

LSU's Bill Arnsperger

I'm real proud of our football team, the way they kept their poise, continued to work and the way they took advantage of some opportunities. It was an important game for us and a big win. I'm glad to see us do it the way we did it.

This is the first LSU-Ole Miss game that I've been associated with and I don't know if I can stand many more.

I was disappointed about some errors we made but we kept our poise and kept working and kept our confidence. That's what I'm most happy about.

We were never in a situation where we could put it away. There are 11 guys on the other team out there who have a lot to say about things like that. When you've been around the game as long as I have you learn not to assume that those things can happen. You have to keep your faith, keep working and hope you can make the plays it takes to win the game.

Ronnie Lewis came in and did the things he was expected to do. You have to be proud of him.
