END OF GAME

FINAL SCORE: TEXAS A&M 17

LSU 35

LSU HEAD COACH BILL ARNSPARGER

"I thought the game was an example of a bunch of guys who worked hard. We stopped ourselves several times, but we were able to overcome that. But you can't take away from the effort our guys gave.

"You also can't leave the fans out of this. There was a lot of talk about the 12th man, but our fans are the 12th man or the 12th group, and you can't say enough about them."

On Tommy Hodson -- "Tommy worked hard but he kept the game in perspective. He said good or bad, he would still be here on Sunday.

On Mickey Guidry's TD pass -- "Mickey read the blitz. It was an audible or a visual because he saw Sammy Martin was uncovered."

On win -- "We have to make sure and keep this thing in perspective. We have to put it behind us on Sunday and get ready for next week. (Asked if it was a big win) Yes, there have been 17 of them before this. I don't like to take away from anything we've done, so this is number 18."

TEXAS A&M HEAD COACH JACKIE SHERRILL

"Those were two pretty good football teams slugging it out there tonight. We made a lot of mistakes, but they made the big plays offensively. When we had them pinned deep in their own territory, we didn't keep them there. At the start of the game we moved the ball offensively, and I thought we were in good shape. But then they complete the long pass over the middle which was a real big play at the time. It (the play) should have been covered, but it wasn't. They (LSU) did a good job blocking our defensive people up front. We didn't put much pressure on the quarterback, which is something we have done in the past. We had some young people out there defensively who made some mistakes."

TEXAS A&M PLAYER QUOTES

LOUIS CHEEK, OT: "I couldn't tell you what the problem was. I really didn't see everything. I felt like we just didn't do everything right every play. There seemed to be some little break down almost every play. When that happens you just have to regroup and get going the right direction. "

TERRANCE BROOKS, DB: "I felt good tonight. I had missed playing football the last 11 months. I felt good being out there. We didn't underestimate their offense. We had a couple of bad breaks and missed assignments. We have a good defense and they have a good offense. I Not taking anything away from them but we gave them a few points."

KEVIN MURRAY, QB: "You have to give them credit because they won the game. The quarterback in our offense just didn't get the big plays when we needed them. I've said it before and I'll say it now, when the quarterback doesn't play well in this offense the chances are not good of winning. It's very simple. The quarterback didn't play well tonight."

SAMMY O'BRIENT, NOSEGUARD: "They really have an outstanding offense and they showed us what they had. Last year we lost to Alabama in much the same way. We have to do the same thing and take this game and learn from it."

SHEA WALKER, WR: "They have a good defensive team. It was a combination of their playing good and us not executing."

LSU PLAYER QUOTES

Sept. 13, 1986 vs. Texas A&M

- OLB Michael Brooks -- "I'm very excited. A&M came in doing a lot of bragging. Everybody nows know that we don't have to depend on just our defense. Our offense can now carry the load as well.
"We did a not of blitzing and we contained the quarterback real well.
- ILB Nicky Hazard -- "We were a little nervous at the beginning. We came off the field in the first half and just got settled down. We made great judgement plays in the second half.
"I guarantee they are not as physical as any team in the SEC. One of our goals on defense this year is to be more physical than our opponents.
- OL Eric Andolsek -- "We worked real hard out there tonight. That had a hard blitz coming in and we seemed to handle it pretty good. It was defintely a team win tonight."
- RB Sammy Martin -- "We just went out and did the best we could. We knew we were young and inexperienced. I knew if we came in and played hard we could win."
