HEAD COACH BILL ARNSPARGER

"I felt like we had to have contributions from all areas, and I think we got contributions from all areas. Our special teams helped us, they had the good coverage, good kickoffs, good punts against their 10 man rush. Alvin Lee came in after Norman (Jefferson) got hurt and handled our punt catching well.

ON PK RONNIE LEWIS -- "Ronnie pumped them through. We had the good snap and the good protection there."

ON THE LSU DEFENSE -- "Defensively we had a couple of things happen to us in the first half, but we had to shut them out in the second half and we accomplished that objective."

ON THE LSU OFFENSE -- "Offensively we continued to use the running game, to use the passing game and get points on the board. I'm just pleased that we were able to beat a good Georgia football team. It puts us back into the (SEC) race now with the other people who jumped off ahead of us, and we've been able to stay in there with them up to this point."

QUOTES FROM GEORGIA HEAD COACH VINCE DOOLEY

"I thought it was a very hard fought football game on both sides of the ball. I'm very proud of my team because we really played hard. But you have to give the credit to LSU for making the big plays. They really played hard and shut us out in the second half. LSU really had a strong running game and used it to their advantage. They really ran well. I thought we had a chance to win the game right down to the end but their last field goal and interception did us in.

"LSU did a good job of stopping us in the four down territory and we couldn't convert on our two field goal opportunities which really hurt us.

"They also did a good job of keeping us back up in the second half. We didn't have very good field position in the second half and that forced us to have to go a long way to score. Again, we were able to drive the ball but couldn't put any points on the scoreboard. LSU really made some big plays when they had to.

"LSU's ability to run concerns me because it shows me that our defense is somewhat porous. We need to be a better defensive football team, especially against the run."
