MAZDA GATOR BOWL - December 31, 1987

PLAYER QUOTES

South Carolina

Placekicker Collin Mackie -- "(On the pressure of kicking two long field goals in his first bowl game) Looking at the circumstances, we were playing before a lot of fans and there was that added pressure playing in a bowl game on national television. But as I've said all year, I had a job to do out there today and I went out there and did it. I was trying to kick the ball higher on the later kicks because they were getting good pressure up the middle. On the second field goal, I kicked it too low but I was lucky enough for it to go through."

Wingback Sterling Sharpe -- "We didn't play well offensively and we put our defense in a bind early. It was just a matter of we just couldn't dig ourselves out. (On his injury) I got hurt in the second kickoff return when I got my neck twisted and it burned real bad for the remainder of the game. Our number one goal for this season was to get here (to a bowl game) and we did that. Our sights changed when we got here and we wanted to win it. I guess one out of two aint bad. We had a good time all week and everything seemed to go right until we got onto the field; but then again, everything doesn't always go the way you want them to."

Wide Receiver Danny Smith -- "In scouting LSU before the game, we found that the middle was open a lot on their previous games. We pretty much stuck to what they had done all season and we ran those middle routes all night. It never feels good to lose, but I think we really worked hard and improved over the course of the season. We wanted to be here all season and it doesn't feel good to end with that loss. But that's the way things go and we'll have to learn from that. I'm sure the younger players will remember this game for a long time."

LSU TEAM QUOTES FROM THE 1987 GATOR BOWL

LSU Head Coach Mike Archer: "I would like to congratulate our football team and our coaching staff, because on Dec. 26th of last year, we all went to bat (for the head coaching position at LSU) and a lot of people had confidence in us. We proved that they made the right decision in keeping this coaching staff together. To win 10 games for the first time ~~xxxx~~ since 1961 is a great honor, and we are ~~xxxx~~ proud to have accomplished that.

"I hope that the win over South Carolina guarantees that we will finish in the Top Ten in the country. All week long, we ~~xxxx~~ kept hearing about their "Black Death," and how they were the favorites, and I can tell you right now, we played it up to our kids.

"It was ~~xxxx~~ obvious that some ~~xxxx~~ people didn't think we were a very good football team, but I thought we showed a lot of people in the U.S. that ~~xxx~~ we were indeed a good football team. Our preparation was good, and a lot of people should get the ~~xxxxx~~ credit for this win--our coaching staff and players. We are very proud of this win, and the hospitality we have received in Jacksonville. The Gator Bowl Committee has done an excellent job for us this week, and we appreciate everything.

"It is great for one of our seniors to end his career with the MVP award (Wendell Davis) some of the seniors were apart of the Jerry Stovall era, and they took a big chance under Coach (Bill) Arnsparger and his staff because no one knew what would happen. They have capped it off with a 10-win season, and for them to go out in a positive fashion is a credit for them.

"We felt all along that if they lived with the blitz, on today, they would die by the blitz, and that's what happened today."

LSU Quarterback Tom Hodson: "We did an ~~xxxx~~ excellent job in picking up their blitz, and a lot of the credit goes to Coach Zaunbrecher and his assistants and the offensive line ~~WXXI~~ We worked a lot on it, and today's performance showed that ~~x~~ result. It gave me a lot of time to pick out the right receiver. I threw most of the passes in the right areas, and Wendell did a fine job of making tough catches."

LSU receiver Wendell Davis: "This win means a lot to me. A ~~XN~~ 10-win season, and a bowl game win for the seniors. It wasn't easy, South Carolina has a ~~gx~~ great defense and they have fine defensive backs. The offensive line did a good job of picking up the blitz and giving us the opportunity to complete some tough passes."

South Carolina Head Coach Joe Morrison -- "I told our young men that this was a disappointing loss for us. We have a good young group, and we'll be back...It took us awhile to get going, especially early in the game. My hats off to LSU. They certainly were consistent all day on both sides of the football...We didn't do a good job of slowing down their defense...I was very impressed with Hodson. He made some great adjustments at the line of scrimmage. Davis is an outstanding receiver with tremendous moves...They had double coverage on Sterling (Sharpe) most of the day and we just couldn't get him the ball. We had a good year, ~~xxxxxx~~ but it's a disappointing way to finish the season. We were proud to represent the University in the Gator Bowl and we hope to come back."
