QUOTING LSU HEAD COACH CURLEY HALLMAN

"This is the most disappointed I've been in my coaching career. I felt we played defense good enough for anyone in the country. I was proud of the effort. It was good enough to contend with anyone in the conference. It's early in the season, and we can be a good team with this type of effort and by becoming mentally tougher.

"The players are hurting bad. They knew they had a great chance to win. This is when coaching becomes its greatest challenge, bringing players through this loss and helping them prepare for the rest of the season.

(On the interceptions)

"Plain and simple, it was the difference in the game."

(On the loss)

"Everyone we brought on this trip knew we had a chance to win it. Hopefully, we'll learn from it and get better."

LSU PLAYER QUOTES

ANDRE LAFLEUR -- PK

"This is a tough loss, an emotional loss. Obviously, we made some mistakes, but no one person lost this game.

"I think you will really see the character of this team come out against South Carolina."

MIKE CALAIS -- MLB

"It's just incredible. I really don't know how to explain it. . . Defensively, we just went out there and played hard and so did the offense. Auburn's defense was more alert and capitalized on our mistakes. Auburn played a hell of a game. They played to the end. We didn't. I think we showed that Auburn's offense is less than perfect, and we showed them that we could score on their defense. Unfortunately it was decided on a couple of Mike plays."

JERMAINE SHARP -- RB

"I can't explain it. We were doing fine and then started making the mistakes. The big plays really hurt us."

EDDIE KENNISON -- WR/KR

"Our guys did a great job defensively. You have to give Auburn a lot of credit.

"We have to be strong and get ready for the next game. When something like this happens, you can't hold your head down. The scoreboard showed differently, but we won the game."

QUOTING AUBURN HEAD COACH TERRY BOWDEN -- THE LSU GAME

"You saw something historical tonight. We couldn't get a first down and we couldn't move the ball. I don't know if I have ever seen a defensive performance greater than the one today. The offense could offer no assistance. Hats off obviously to our defense.

"Our defense was better than their offense today.

(On being surprised on the 3rd down and four play that led to the AU interception return for a TD)

"Nothing surprised us today. The second guessers will have plenty to say about it. I'm just glad it worked out the way it did."

(On the Auburn secondary)

"You're asking the wrong man about that. You need to talk to Wayne Hall about that. We played some two-deep, a little man, did some blitzing and jsut mixed it up. The offense feels charmed because the defense went out and did an excellent job."

(On Dameyune Craig)

"We weren't getting much done. Dameyune never was in a good situation. We were looking for a spark. We just thought one guy might be able to make something happen.

"We've got to get the offense ready, and we're still getting two quarterbacks reps and experience.

(On Chris Shelling)

"At the end of the game he was tired and cramping up. Chris left it all on the field. he played great."

(On Brian Robinson's last interception he fumbled)

"The coaches were trying to tell Brian to get down on the ground. It is like a bad bad movie in slow motion. It was like slow motion death. I knew it would happen."

AUBURN PLAYER QUOTES -- THE LSU GAME

FRED SMITH -- CB

"We went out there knowing as a secondary that we had to make something happen. The offense had been carrying us when we would give up big plays. Today, we were able to step up and make those big plays that was the difference in the game.

KEN ALVIS -- SS

"We needed something to give the team a spark. We were the ones today that were able to step up and make a big play when we needed it. The interception returns gave us an emotional lift when we got back in the game. After we took the lead, the defense decided there was no way that we were going to lose this game."

BRIAN ROBINSON -- FS

"That's what secondary players dream about is having games like we had today. We needed a play and the secondary stepped up. We have been talked about for giving up big plays, but today it was us who made the big plays. On my last interception all I saw was green and the guy came up from behind me and knocked the ball out."

GARY WALKER -- DT

"The offense pulls us along when we're down and today, we were able to pay them back. They brought us along in the Ole Miss game when we gave up big plays. When we get clicking on both sides of the ball together, we'll be a pretty good football team."
