LSU Head Coach Curley Hallman Quotes

"Very disappointing loss in the minds of everyone. I don't think there's any doubt about that when I say disappointing, frusrating, challenging loss - you could use a lot of adjectives."

"At the same time you have to congradulate Coach Stallings and the University of Alabama with a victory. They are not undefeated just but accident. It's a program with a lot of tradition."

On LSU turnovers

"Right off the bat something that you worked hard with the players in a very positive and incouraging way breaks down. I didn't hardly see it happen (the first fumble of the game). It happened so fast and bang - 7-0."

"Eric Valentino is in the hospital with a concussion. Eddie Kennison has a knee injury. Jamie got his bell rung and threw up during half time."

"We'll come back tomorrow and we'll have our regular Sunday. We'll run and we'll strech and we'll approach Sunday just like we always have. That's the only way I know how to do it."

"We'll come back tomorrow and talk about Southern Miss. We've got an awful talented group of youngsters - I really believe that. We've had a lot of things that have been frustrating and challenging but you have to fight against them as a coach and keep the mindset."

"I will compete."

LSU Player Quotes Following loss to Alabama

Senior Marcus Price

On not having winning season

"It really hurts, but right now I think its best for me not to reminise on the fact that I have not had a winning season since I hjaave been here. The best way I can handle that is to gou out and play the best I can to help the young guys really mature and learn how to deal with losses. It helps me a lot to appreciate the wins I do get. Wins don't just come by luck, you have to go out and make something happen.

Gabe Northern

"Some of our goals we set can't be reached. We just have to get better. We haven't done what we set out to do as a team so it doesn't really matter how good or bad I do (personally).

We are not the type of people to quit. We came in with a mission but just because we can't reafch the goals we had we can still save ourselves some face and keep our pride."

On the defense tonight.

"We did alright. We got scored on. We didn't play good enough."

Eric Smith

"It's frustrating. Things didn't go our way and that is the way it has been all year loing.

The guys can handle themselves pretty good and we can go out next week and have a regular week of practice and get ready for Southern Miss."

Quotes from Alabama coach Gene Stallings

"Obviously it was a good game for us to win. The thing that pleased me about the game was that I thought we played hard. I thought LSU played hard too. They (LSU) lost a couple of key players and I thought that made a difference."

"The game was marred with turnovers and penalties. We had more penalties than I would like and we turned the ball over more than I am accustomed to us doing."

"I thought the early touchdown definitely put the momentum on our side. The two blocked kicks definitely gave the momentum to us."

"You have to give LSU credit at the same time because they came back and scored and in the latter part of the game I thought their guys were still playing hard."

on Alabama winning its 700 game....

"I'm proud to be associated with it. I think its a real tribute to this program."

ALABAMA PLAYER QUOTES

John Walters --MLB

"Up until this game, we hadn't played physical in the first half, the way you'd expect an Alabama team to play. Practicing hard and the players finally saying this is the end of the year, we got to start playing well."

Dameian Jeffries --LDE

"We came out and dominated the game early and that was the difference. We set the tempo, and we came out with a big victory down here in Baton Rouge, Death Valley, and that's what we wanted to do. We've practiced hard this week, and what you saw today is what you can expect in the next four ballgames."

Jay Barker --QB

-On the new Alabama passing record
"First of all, as a team, we got our 700 victory and its good to get the career yardage. It was a great thing for me. This was where I started from four years ago at LSU. It was good to come back here and set your career record yardage. I owe this not only to myself but my teammates and all the guys that have been there offensively catching the ball, giving me the protection I needed to make that record come true here."

Sherwin Williams --RB

"They (LSU) came out and played us hard at the beginning. They (LSU) gave us the pass, so we took the pass in the first half. We came out in the second half, they kind of laid back, so we took what they gave us."
