GOOD NIGHT!!!!!!!!!!

LSU VS FLORIDA

Quotes from LSU Coach Jerry Stovall:

"I thought the first quarter we didn't play particularly well in any phase. In the third quarter we came out and tried to get field position."The defense probably looked better than the offense in the first half."

"Im very disapointed, that they got the last touchdown. We just did not tackle well."

"We did some things well but not enough of them well. We just made too many mistakes. We just can't make those mistakes."

"We came back in the third qyarter and fought and tried to get field position. It looked like we had it at one point but mshandled that short punt. We felt like we had moved the ball back and forth and had gained some leverage."

"Florida had a tremendous defense. We thought we would have to throw the ball and we did more in the second half."

On Rishers condition

"Yes I think he was hurting. We considered replacing him, but the doctor said he was fine so we put him back in."

Quotes from Florida's Charlie Pell:

"I think our players gave so much tonight. I've never had a victory so gratifying as this one against LSU. "

"It wasn't an easy victory. Coach Stovall did a good job of getting his team ready. LSU has a lot of promise. They are a very young team."

"LSU is so explosive. When McDaniel goes across the middle he looks like a blur."

"We controlled the ball in the first half and LSU controlled the ball in the second half."
