Dear LSU Fans,

We are excited to welcome you back to Tiger Stadium for the 2023 LSU Football season. Each moment that we spend in our stadium compels us to remember both the history and tradition of the LSU Tigers as well as the endless possibilities represented by the purple and gold.

A night in Death Valley means only one thing for certain – nothing will ever be the same. Our stadium is where legacies are built, boundaries are pushed, records are broken, and memories are forged. Though each of us come from different places, we all share a common bond: pride in – and love for – the LSU Tigers. Our stadium creates a collective identity and sense of togetherness like no other, and the spirit of victory, infused with the thrill of what is to come, is what makes this place so unforgettable.

The tradition of excellence and togetherness that our team has built will continue to live on, but what sets this place apart is that it always yearns for a challenge. We saw this last year in unforgettable last-second victories and historic halftime show, all of which represent what it means to truly be an LSU Tiger – we rise to the occasion, we never back down, and we continue to pursue ways to elevate ourselves and our community, both on and off the field.

As we move toward another season of LSU Football, let us both remember the legacies of those that have come before us and the importance of forging our own paths. This year, let's all work to move our program, our community, and our state forward, facing challenges courageously, as Tigers do. There is nothing we cannot do, as long as we do it together.

Geaux Tigers!

Invoices for the Tradition Fund Contribution are mailed in January of each year. Tradition Fund Contributions are billed with season ticket renewal invoices in January each year and are usually due by March 1.

TIGER ATHLETIC FOUNDATION TICKETS

A limited amount of season tickets require Tiger Athletic Foundation contributions. TAF ticket contributions are also usually due by March 1 and share the same deadlines and application procedures as Tradition Fund tickets. SEASON TICKET RENEWALS

Season ticket renewals for football are available in January each year and are usually due by March 1. If you have not received a renewal form by mid-February, please call the ticket office. Full payment is due to the ticket office by the deadline date on the renewal form.

NEW SEASON TICKETS

Any unsold season tickets from the 2023 season will go on sale to the public in December. A season ticket request list will also be available in the fall and usually closing on March 1. Any season tickets that are not renewed for 2023 will be reassigned to fans who register for the season ticket request list by March 1. To register for the request list, log on to LSUtix.net. Ticket requests are only valid for the upcoming season (requests do not roll over from year to year) and all tickets are issued based on LSU Philanthropic Priority Point order as of March 31.

Tickets can be purchased online at LSUtix.net.

2023 POSTSEASON TICKET INFORMATION

During the course of the 2023 football season, LSU football season ticket holders will receive information by e-mail regarding the opportunity to apply for tickets to any postseason games in which the Tigers may participate. At that time, a deadline will be established for applying for tickets. Possible postseason games include the SEC Football Championship Game, the College Football Playoffs, and/or a holiday bowl game.

If the demand for tickets exceeds the supply available to LSU for any particular game, a distribution system utilizing the LSU Priority Point System will be used to determine ticket distribution. Tickets for any postseason games involving LSU will be allocated first to players, coaches, LSU students and athletic department

staff. Next, an allotment of tickets will be distributed through the LSU Priority Point System, based on points accumulated for contributions to LSU Athletics, the Tiger Athletic Foundation, LSU Foundation and LSU Alumni Association. To be eligible to purchase tickets based on the LSU Priority Point System, the applicant must be a football season ticket holder.

The number of ticket requests from football season ticket holders will be measured against the number of available tickets to determine if any limits must be imposed. LSU will make every effort to accommodate as many of its fans as possible. Ticket orders and seat locations are not accepted nor assigned on a first-come, first-served basis.

The use and/or operation of remote-controlled equipment/cameras/toys/aircraft (including all drones and unmanned aircraft systems) is strictly prohibited on all areas of the LSU Campus – including Gamedays and during gameday related activities (i.e. Friday game preparations). All grounds and parking lots are considered part of the LSU Campus.

SECURITY AND SAFETY

It is the responsibility of each tailgate party to secure tailgate items prior to entering the stadium. Tailgaters should lock food, beverages and valuables out of sight in vehicles; extinguish all fires or flames; unplug electrical outlets; secure barbecue pits, chairs, and ice chests; and store beverages in locked containers. LSU Athletics is not responsible for lost or stolen items.

SIGNAGE AND BANNERS

Banners and signage recognizing businesses may not be displayed, nor may promotional/commercial materials be distributed without prior approval by LSU Administration. Non-commercial messages (that is, non-profit or political messages are subject to reasonable restrictions to protect safety and pedestrian access. Small signs, measuring not more than 2 feet in any dimension, may be placed within your immediate tailgating areas, if you are present at the location at all times and the signs do not block any walkway or other path

SOLICITATIONS

Solicitations of any kind, for commercial, non-profit, political, or other purposes, within LSU facilities or on LSU premises are prohibited unless specifically approved by LSU Administration. The distribution of flyers or leaflets on parked vehicles is expressly prohibited.

UTILITIES OWNED BY UNIVERSITY

The use of electrical outlets in or on LSU facilities, or other utilities such as water sources, is expressly prohibited. This policy will be strictly enforced and violators will be subject to arrest for theft of utilities.

TENTS, CANOPIES, DISPLAYS (CORPORATE LOGOS)

Tailgating is not permitted in travel lanes on roads, parking lots, sidewalks, bike paths or landscaped areas. No tents or other items may be placed in these areas or obstruct access.

TAILGATING SETUP

Tailgating Setup is allowed after 5 p.m. on the Friday prior to game day. Also, tailgate setups are subject to removal for violation of tailgating policies. Please direct all questions regarding tailgating to LSU Athletics Guest Services at (225) 578-4085.

TAILGATING RECOMMENDATIONS

GENERATORS

Portable electrical generators are permitted, but are discouraged. For temporary electrical needs, LSU recommends the use of battery operated inverters that convert the battery current to house current. These recommended devices do not generate hazardous carbon monoxide emissions, do not require gasoline cans and resultant hazards, and do not create noise that is potentially damaging to hearing and a nuisance to fellow tailgaters. The operation of portable electrical generators that create excessive noise, emission hazards or other safety concerns will not be permitted.

GLASS CONTAINERS

Glass containers are strongly discouraged for use during tailgating activities.

TENT SIZE

LSU discourages the use of tents larger than 10' by 10'. Tents may not be staked into the ground.

TENTS DURING GAME

Tents should be taken down before you enter the game.

TENTS IN PARKING LOTS

Fans using a tent or canopy over the tailgate of a vehicle should restrict the size to no larger than 10' x 10' and may not take up space in other parking spaces or travel lanes. Tents may not be used to save parking spaces. Tents must not block travel lanes.

TREY BEALL
PRESIDENT

savin.

LSU encourages its fans to show good sportsmanship and conduct themselves in a manner that represents LSU, the Southeastern Conference and the NCAA with honor, dignity and respect. All fans in attendance shall demonstrate the qualities of civility and sportsmanship at all times.

- Refrain from the use of vulgar, abusive, racist, sexist, demeaning or intimidating language at any time.
- Always support the players, coaches and officials in a positive manner.
- Treat the visiting team, coaches and fans with courtesy and respect at all times.
- Refrain from engaging in cheers that are vulgar, crass or demeaning.
- Refrain from throwing objects for any reason.

LSU Athletics has high standards of fan behavior for all guests in attendance – failure to comply with the sportsmanship guidelines set forth may result in ejection and loss of future ticket privileges. The Southeastern Conference takes seriously the issue of fans “storming the field” after major victories. While the enthusiasm of the fans is admirable, it has caused serious injury to some fans and student-athletes and can result in unwarranted violence and vandalism.

The SEC has adopted the following principles regarding fan access to competition areas: In all sports, access to the competition area shall be limited to participating student-athletes, coaches, officials, support personnel and properly-credentialed individuals at all times.

For the safety of participants and spectators alike, at no time before, during or after a contest shall spectators be permitted to enter the competition area.

Penalties against individuals who improperly enter the competition area shall include, but not be limited to, expulsion from the facility, arrest for trespassing, and the loss of future ticket privileges. In addition to these three penalties, violators who are students shall be subject to student disciplinary measures.

PENALTIES FOR INSTITUTIONAL VIOLATIONS

In the sports of football, men's basketball and women's basketball, at the discretion of the Commissioner, schools in the Southeastern Conference may be fined the following amounts if fans at their respective institutions enter the area of competition before, during or after an athletic contest:

1ST OFFENSE: institutional fine of \$100,000

2ND OFFENSE: institutional fine of up to \$250,000

3RD OFFENSE: institutional fine of up to \$500,000

Please represent LSU with pride and thank you for your cooperation.

BRIAN KELLY

HEAD FOOTBALL COACH

When Brian Kelly was hired away from Notre Dame in December of 2021, LSU announced at the time that “the search for LSU Football’s next championship head coach is over.”

The most accomplished hire in program history, Kelly wasted little time in making his impact felt, leading the Tigers to a 10-win season and the SEC Western Division title. Despite inheriting a roster with only 39 scholarship players remaining from the 2021 season, Kelly guided the Tigers to Top 10 wins over Ole Miss and Alabama along with road victories over Auburn, Florida and Arkansas in his first year with the Tigers.

LSU capped the 2022 season with a resounding 63-7 win over Purdue in the Citrus Bowl completing one of the biggest turnarounds in college football a year ago.

Kelly, who has more victories than any active coach in major college football, was named LSU’s 34th head football coach on December 1, taking over a program that has won four national championships.

Kelly’s 10 wins at LSU in 2022 ran his career win total to 294 in 32 years as a head coach and it marked the 11th time he led a team to 10 or more wins in a season at the FBS level. Overall, Kelly has had teams reach double-figure wins 17 times with his teams winning nine games on five other occasions. His coaching career includes 13 seasons at Grand Valley State, three at Central Michigan, four at Cincinnati, 12 at Notre Dame and one at LSU.

His overall mark of 294-101-2 puts him ahead of

**CAREER RECORD 284-97-2 (1ST, ACTIVE COACHES)

2009, 2012, 2018 NATIONAL COACH OF THE YEAR**

Alabama’s Nick Saban (285) and North Carolina’s Mack Brown (268) on the list of most victories by an active FBS head coach. Only twice during Kelly’s 32-year coaching career has he had a team finish below .500.

Kelly is also one of only five active FBS coaches who have guided their programs to multiple undefeated regular seasons since 2009 and he’s led teams to one berth in the BCS National Championship Game and to a pair of College Football Playoff appearances. Overall, his teams have appeared in bowl games 14 times.

Prior to taking over at LSU in 2022, Kelly spent 12 years as the head coach at Notre Dame where he became the school’s winningest coach with 113 victories, moving past legendary Knute Rockne for the top spot on the list. Kelly left Notre Dame with a 113-40 overall mark and his teams averaged 10 wins a season over his last five years – 54-9 during that span – with Irish.

A native of Everett, Mass., Kelly was a four-year letterwinner at linebacker and two-time team captain at Assumption College in Worcester, Mass. He graduated from Assumption in 1983 with a degree in political science.

Kelly and his wife Paqui have three children – Patrick, Grace and Kenzel. The Kellys are active in community outreach and have established the Kelly Cares Foundation which has donated nearly \$8 million to support causes related to the fight against breast cancer since its founding in 2008.

Diversity, Equity & Inclusion

The goal of the LSU Athletics diversity and inclusion initiative is to form a clear vision of results-oriented change and make needed connections in the department, the campus and the community. Four new organizations have been formed within Athletics to develop strategies that will enhance the understanding of racial equity:

Leadership Council
Coach and Staff Council
Student-Athlete Council
Black Student-Athlete Association

Each of these groups is working to help us create an equitable and transformational athletics program. We will measure and track the results of all efforts toward a more inclusive and diverse environment. This web page contains educational resources, web site links and videos that provide more information about our mission. We will maintain a consistent communications presence to inform, educate and inspire everyone to be allies in this critical movement.

SONGS OF LSU

"FIGHT FOR LSU"

(LSU FIGHT SONG)

Like Knights of old, Let's fight to hold
The glory of the Purple Gold.
Let's carry through, Let's die or do
To win the game for dear old LSU.
Keep trying for that high score;
Come on and fight,
We want some more, some more.
Come on you Tigers, Fight! Fight! Fight!
for dear old L-S-U.
RAH!

"TIGER RAG"

(HOLD THAT TIGER)

Long ago, way down in the jungle
Someone got an inspiration for a tune,
And that jingle brought from the jungle
Became famous mighty soon.
Thrills and chills it sends thru you!
Hot! so hot, it burns you too!
Tho' it's just the growl of the tiger
It was written in a syncopated way,
More and more they howl for the 'Tiger'
Ev'ry where you go today
They're shoutin'
Where's that Tiger! Where's that Tiger!
Where's that Tiger! Where's that Tiger!
Hold that Tiger! Hold that Tiger!
Hold that Tiger!

"TOUCHDOWN FOR LSU"

Tigers! Tigers! They've come to town,
They fight! They fight! Call a first down,
Just look them over, and how they can go,
Smashing the line with runs and passes
high and low.
Touchdown! Touchdown! It's Tigers' score.
Give them hell and a little bit more.
Come on you Tigers, Fight them, you Tigers,
Touchdown for LSU.
Rah! U. Rah!

LSU ALMA MATER

Where stately oaks and broad magnolias
shade inspiring halls,
There stands our dear Alma Mater
who to us recalls
Fond memories that waken in our hearts
a tender glow,
And make us happy for the love
that we have learned to know.

All hail to thee our Alma Mater,
molder of mankind,
May greater glory, love unending
be forever thine.
Our worth in life will be thy worth
we pray to keep it true,
And thy spirit dwell in us forever...L-S-U.

"HEY FIGHTING TIGERS"

Hey, Fightin' Tigers, Fight all the way
Play Fightin' Tigers, win the game today.
You've got the know how,
you're doing fine,
Hang on to the ball as you hit the wall
And smash right through the line
You've got to go for a touchdown
Run up the score.
Make Mike the Tiger stand right up and roar.
ROAR!
Give it all of your might as you fight tonight
and keep the goal in view.
Victory for L-S-U!

(Adapted from the original
composition 'Hey, Look Me Over'
from the Broadway production 'Wildcat'.)

In any such instance, the institution shall cooperate fully with the Association and shall take appropriate corrective actions. Members of an institution's staff, student-athletes, and other individuals and groups representing the institution's athletics interests shall comply with the applicable Association rules, and the member institution shall be responsible for such compliance. [NCAA Constitution 2.8.1]

Representative of Athletics Interest (Boosters)

A "Representative of the Institution's Athletics Interest" (booster) is anyone who is known (or should be known) by a member of the institution's executive or athletic administration to:

- Participate in or have been a member of a sport support group or a booster club.
- Make or have made a donation to Louisiana State University Athletics or Tiger Athletic Foundation.
- Provide or have helped arrange employment for student-athletes or provided benefits to enrolled student-athletes.
- Have been involved in promoting the University's athletics program, in any way.

Please note: Once an individual is identified as a "Representative of the Institution's Athletics Interest," (booster) the person retains that identity forever.

Consequences to Boosters for NCAA Violations

- Institutions are required by the NCAA to notify boosters of consequences regarding rules violations. Boosters found in violation of NCAA rules are subject to losing benefits and privileges, including season tickets.
- The NCAA Committee on Infractions has processed cases in which penalties have included both the disassociation of boosters with the institution and the loss of season ticket privileges.

Recruitment of Prospective Student-Athletes

- A prospective student-athlete is defined by the NCAA as any person who has begun classes for the ninth grade (seventh grade in men's basketball and softball for camp/clinic purposes).
- A prospective student-athlete remains a prospect even after he or she has signed a National Letter of Intent or accepts an offer of financial aid to attend Louisiana State University up until the point that he or she reports for the first day of classes for a regular term (fall or spring semester) or attends classes during the summer prior to initial full-time enrollment.

Recruiting Contacts

- All in-person, on- and off-campus recruiting contacts with a prospect or the prospect's relatives or legal guardian(s) shall be made only by authorized institutional coaches or staff members. A coach is not permitted to recruit off-campus until he or she has been educated on an annual basis on applicable recruiting rules.
- A contact is defined as any face-to-face encounter between a prospect or the prospect's relatives or legal guardian(s) during which time any dialogue in excess of an exchange of a greeting occurs. Boosters are prohibited from contacting a prospect or the prospect's relatives or legal guardian(s) to encourage the prospect to participate in intercollegiate athletics at Louisiana State University.

The following are specific restrictions that apply to boosters:

- You are prohibited from telephoning/texting/ writing or contacting a prospect or the prospect's relatives or legal guardian(s).
- You are prohibited from providing entertainment during the prospect's official/unofficial visit.
- You are prohibited from providing transportation for a prospect or the prospect's relatives or legal guardian(s) to visit our campus.
- You are prohibited from providing the prospect or the prospect's relatives or legal guardian(s) with anything of monetary value that is not available to the general public/LSU student body (availability must be publicized).

Rule of Thumb #1:

Do not interject yourself into the recruiting process.

As a booster, you are permitted to:

- Notify our coaches about prospects in your area that may be strong additions to our teams.
- Attend high school or two year college athletic contests or other events where prospects may compete; however, you may not have contact with a prospect or the prospect's relatives or legal guardian(s).
- Continue existing friendships with families of prospects, but you may not attempt to recruit the prospect (any pre-existing relationship with prospects/their families must be vetted by the Compliance Office).

Benefits for Enrolled Student-Athletes

- Receipt of an award, benefit or expenses by a student-athlete, not authorized by the NCAA, renders the student-athlete ineligible for athletics competition.
- An extra benefit is any special arrangement by an institutional employee or a representative of the institution's athletics interest to provide a student-athlete or the student-athlete's relative or friend a benefit not expressly authorized by NCAA legislation.

Outside of a valid name, image and likeness opportunity, boosters may not provide anything or make special arrangements for student-athletes (and prospective student-athletes) and/or the student-athletes' friends or relatives that are not available to the general student population or general public (must be publicized). Examples of extra benefits not allowed by NCAA rules include, but are not limited to, the following:

- Providing cash or loans in any amount, or signing or co-signing for a loan.
- Providing gifts of any kind, including birthday cards and holiday gifts.
- Providing special discounts for goods and services (e.g., movie tickets, car repair, legal services, clothing, haircuts, meals).
- Providing the use of an automobile, telephone.
- Providing free or reduced rent or housing.
- Providing student-athletes money for the exchange of complimentary tickets.

Rule of Thumb #2:

Do not provide student-athletes or their friends or relatives with a benefit or service without permission from the athletics department.

As a representative of the institution's athletics interest, you are permitted to:

- Invite a student-athlete into your home for an occasional meal (e.g. once a semester), but please coordinate such activity with the respective head coach or with the Compliance Office. A request form must be completed and approved by the LSU Compliance Office prior to inviting the student-athlete.
- Meet with and receive autographs from student-athletes during LSU-sponsored pre-season events (i.e. Fan Photo Day or Meet the Team). Please be aware it is not permissible for you to sell the autographs or use the autographs to raise money for a special project.

Rule of Thumb #3:

Do not hesitate to contact LSU Athletics with a compliance-related question. The breakdown above is just a brief overview - Remember "Always Ask Before You Act!" If there are any questions at all, please contact LSU's Athletics Compliance Office at (225) 578-4100.
