Qualifying & Declaration Information

Eligibility This meet is open to LHSAA member schools who are eligible for post season in the sport of indoor track & field. Competing athletes must be eligible to compete under LHSAA rules, have attained the qualifying standard in that event, and must compete with an LHSAA school affiliation.

Legal Qualifying Entry marks must be achieved at the following meets;
2024 LSU High School Classic
2024 LSU High School Qualifier
2024 LSU High School Last Chance Qualifier
2024 McNeese State University Meets

Marks from any other meets will not be accepted. All entry times must be fully automatic. The only converted marks that will be accepted are 55m Dash and 55m Hurdle times from McNeese State. These marks will automatically be converted to 60m and 60m Hurdle times on the descending order list using the standard track conversions used by the NCAA.

Performance List **It is the school's responsibility** to examine the LHSAA performance list after each eligible competition during the indoor season to make sure their athlete's marks have been posted. The list can be found at www.DirectAthletics.com, Rankings > High School > LHSAA Division 1 or 2 (2024).

The performance list shows all athletes and relay teams eligible for the championship. There will be more athletes/relay teams on the list than will be accepted. This is so spots can be filled if athletes scratch. The athletes/relay teams with the best marks in each event that **declare** will be accepted into the meet.

Declaration Limitations

Relay Events: Each school may only declare 1 relay team in each relay event.
 Individual Events: Each school may only declare 2 athletes in each individual event.
 Athletes: Shall not be declared in more than 4 individual events. An athlete **CAN** be declared in 4 individual events and as an alternate in all relay events, however competitors accepted into 5 or more (individual and relay) events shall **NOT** compete in more than 4 (individual and relay) events.

An athlete may officially participate in:	
4 Individual Events	No relays allowed
3 Individual Events	May be listed on any number of relays but compete in only one relay.
2 Individual Events	May be listed on any number of relays but compete in only two relays.
1 Individual Events	May be listed on any number of relays but compete in only three relays
0 Individual Events	May be listed on four relays and may compete in four relays.

Declaration Procedure

All declarations are **mandatory** and will be completed through www.DirectAthletics.com using the normal Direct Athletics entry procedure. Declare any athlete/relay who desires to compete at the meet, regardless of their position on the LHSAA performance list. If you plan to bring alternates for a relay, you must list their names as one of the possibilities on the relay when you declare. You will not be able to enter athletes/relays who are not on the performance list and are not eligible to be entered.

An athlete/relay who is ranked at a position below the cutoff for designated field sizes but who wishes to compete should be declared. The athlete/relay may be able to compete if other, higher-ranking athletes/relays fail to declare. Athletes or relays that have no intent to compete in an event can be scratched simply by failing to declare.

Your athletes will be scratched and replaced immediately if not declared. Leave plenty of time for technical difficulties to arise.

Late Declarations

A school may submit late declarations on **Wednesday, February 14th** between 8:00am and 12:00pm to Andy Ponce de Leon at andypdl@lsu.edu. Declarations during this late period shall incur a \$30 fine per entry, including alternates, in addition to the standard entry fee. The late declaration should include the school, gender, athlete's name and event. Relays should include the names of all athletes AND any alternates who may run. The \$30 fine will apply to each athlete and alternate entered on the relay. Late declarations should be made in the following format:

School	Gender	Athlete	Event
Louisiana High School	Male	Tommy Jumpfar	Long Jump

Confirmation

Coaches should email, print & review their declarations for errors by clicking on the "view" registration link located on the Direct Athletics website. Accepted Entries & Heat Sheets

The heat sheets posted on www.LSUsports.net/meetinfo serve as the accepted entry list. Double check to see which of your athletes were accepted into the meet. Names or relay teams that fail to appear on the list were not accepted. Free entrance will not be provided to any athlete who is not qualified to complete or has not been properly declared.

Field Size

Meet management determines the number of participants and may change the above numbers in case of ties or any other extenuating circumstances. Field sizes will be as follows, for each gender and division:

400m	12	60m hurdles	16
800m	12	All Relays	12

Entry fees are calculated by the number of athletes **accepted** into the meet, including those on relay teams. Relay team members and alternates must be included on your entry list. The number of **declared** athletes may be different than the number of **accepted** athletes for a given team. For example, 10 athletes are declared on Direct Athletics but only 8 athletes are accepted into the meet. Total charge 8 x \$15 = \$120. The entry fee is \$150 per school (boys and girls count separately) or \$15 per athlete for schools with less than ten athletes accepted. **Entry fees will NOT be adjusted if you do not bring accepted athletes to the meet for whatever reason.**

Payment will be accepted at packet pickup. Only school checks, cash, and money orders will be accepted; purchase orders and personal checks will not be accepted. Make checks payable to **LSU Track & Field Officials Association**. Do not mail payment.
