QUOTES FROM HEAD COACH MATILDA MOSSMAN--KANSAS STATE--

About the last second shot--"The play was designed to go to that area of the court, but not necessarily to Theza. We really didn't have a designated shooter. "

About Theza Fitzpatrick--"She really has some courage. Her is a juco transfer and she comes in a hits that shot., after only 10 games on our ballclub. She is the kind of girl I want on our team."

About the loss of the second half lead--"In our 2 prior losses we played great in the first half and then ~~WXX~~ would let up about the 7 minute mark. We told the kids in the locker~~XX~~-room we needed to get over ~~XXXXXX~~ that jump-this may have been the game."

About the physical play--"~~WXX~~ With their size and strength we anticipated a physical game. I was surprised the way we out rebounded them. It was our kids effort on the boards that ~~X~~ made the difference in ~~XX~~ the game."

COACHES QUOTES

LSU Head Coach Sue Gunter --"Thornton, Branch, Burns and Jones can shoot the basketball but right now they can't. We haven't played good offense. As poorly as we are shooting offensively, we are just praying that our defense holds up. When we get into our SEC schedule. we'll have to start scoring. I thought we opened a bit. They didn't play considerative.
At this point I'm happy with 7-1. To break at 7-1, I feel better than I was last year.

ABOUT SOUTHERN ON DEC. 30

"They've had an awful lot of success this year. They're very talented and young. In my four years at LSU, every time we've played Southern, its been a good ball game. They're a real scrappy team and have beaten some outstanding teams.

LAMAR HEAD COACH CHICKIE MASON -- "Anytime you can hold LSU to 57 points at home you can feel pretty good, even though we feel very bad about losing. I feel we gave a good physical effort, and we made them earn everything that they got. I think we knew we would come in here and give up some quickness to them at the guards and overall experience. Though I have four seniors, none of them have been at Lamar more than one year.

"Sue's a great competitor, a classy lady, and they've really got something here at LSU. I think the people here in Baton Rouge are really missing something.

NOTES --The 36 points scored by Lamar against LSU is the best defensive effort by the Tigers this year. Earlier, Baylor scored 39 against LSU.

The 36 point total by Lamar is the lowest by the Lady Cardinals since Houston scored 34 against them in 1980-81 season. It is the third lowest offensive output for Lamar ever. It is the second straight game that they have scored less than 40. They scored 39 last night against Nicholls State in losing 43-39.

LSU is now 7-1 on the season and plays at Southern University Dec. 30. Lamar is 1-8 on the season and plays Pan American at Lamar on Dec. 31.

COACH SUE GUNTER ON THE MISSISSIPPI STATE GAME --

"Changing the defense and going to the zone press opened it up. I was hoping we'd execute better. The team tonight showed a little bit of patience on offense. Right now we're 1-0 in the conference and I'll take that anytime. I get weak knees everytime we play one (SEC). Everybody seems to be coming at you.

"The patience and the way we passed and shot was good. In spots we did work the ball and we loosened up. Anytime we get our opponent into our running game and get the team into a transition we do better.

GUNTER ON SOUTHEASTERN LOUISIANA this TUES. -- "We haven't seen them since we played them the last time and I'm sure they have improved since then. We're not sure of anything except that they're going to be better than in November. We're looking forward to a hard fought game."

MISSISSIPPI STATE COACH BRENDA PAUL:

Our goal this season is to keep our games in the SEC respectable. Quite frankly, we lack the talent of some of the other SEC schools. We're starting from scratch and building for the future, as we've got seven scholarships for next season and we will use all of them. But for now, our strategy in the SEC is to be patient on offense and try to lull the other team to sleep.

LSU is a fine team, and their press really hurt us early in the game.

ON LSU CENTER ALISHA JONES:

She's tremendous. It was really fun watching her play in there and trying to stop her. She hit on a couple of shots from the outside in the first half, so we had to come out and get in her face.

FINAL SCORE: LSU 89 - UNO 53

UNO COACH JOEY FAVALORO -- "I think probably the biggest thing is that we made some changes and we changed too many things. In the films of LSU from our first game, we forced them into a lot of mistakes. Then we saw some areas where they were very strong and we felt that if we made a few changes it would slow them down. I think what we did was in preparing for them, I made too many changes, so I have to take the full blame for the way we played tonight.

"We didn't execute very well offensively and we stood around kind of in a daze when we put up a bad shot, and then they (LSU) would take off down the floor and make an easy basket.

"We were thinking rather than reacting. They (UNO) were trying to think of the next move in the offense, and so one girl is late getting where she belongs and the other girl has thrown a pass where she's supposed to be, and what happens when you get into a situation like that on thing leads to another and it's like an avalanche."

SUE GUNTER QUOTES --

"We changed our defenses a lot and we seemed to be very fresh. What was encouraging to me was that we were able to change our defenses yet get in it. We hadn't been that successful when we wanted to change things. We had too many turnovers the first half. It was the type of performance we need right now quite frankly. We had hoped that we could begin to kind of make one last push forward and I was pleased with the progress.

"We got some good performances out of some people. I was pleased with our defense and we managed to open it up offensively and execute. We got good play out of (Natalie) Randall and April (Delley). "

LSU COACH SUE GUNTER QUOTES --

"Tonight this was the case of doing just what you're asked to do to win. I'm not being funny because I just wondered what kind of shape we'd be in tonight. We had not shot the ball extremely well. But I will give our kids credit because the last four minutes of the first half we did a good job defensively and we came out and played good about the first eight or nine minutes defensively. What a shooting ball club!! It had to be fun if you like a big offensive game because it was certainly that.

"(Annie) Harris was unbelievable!! I want to tell you we recruited her as hard as we could. She is truly outstanding and that's no accident she had 35 points. She had 38 against Northeast.

"I felt that if we could just ever settle down in the first half and get the ball inside that we could score inside. Once we went inside the kids knew we could take advantage of it. I thought our inside game was very very pretty. It was very unselfish no matter which two of the four we had on the floor."

NORTHWESTERN COACH PAT PIERSON QUOTES --

"They have so much more size than us, so the only way we could stay with them was to stretch it out to a 94-foot game. We had to pressure the ball and press and get the rebound out and run on them. Even after we made shots we were going to try to run, but we got into foul trouble so early we couldn't put any kind of pressure on. Every time we tried to trap they would call a foul, so we had about four starters with three fouls on them before we could turn around, so when they forced us out of our full court game we didn't have very many options but to pack it in and hope they wouldn't shoot well from outside.

"Up to the end of the first half they didn't shoot very well, maybe they were tired, and we were lucky to go in only four points down at the half. In the second half, they came out shooting very well and we were still in foul trouble, so it just didn't work out for us."

KENTUCKY HEAD COACH TERRY HALL

"Obviously, the big difference in the game was the first half when we shot 27 percent from the floor. That really put us in a hole and we had to play catch-up. But, I'm very proud of the effort we gave in the second half to come back like we did. We played great basketball in the second half. We had a chance to win but we didn't get the breaks we needed.

"On the last play, we were trying to get Leslie Nichols open on a cut under the basket but they did a good job not letting her get the ball.

"We're not a very good rebounding team and it was difficult for us to block out Jones. We didn't control her very well."

LSU HEAD COACH SUE GUNTER

"I would like to compliment Kentucky, under adverse circumstances, they played a great game. The first ten minutes of the first half, we were loose, after that we were tighter than a drum and the tighter we got, the looser Kentucky got.

The second half we opened the door for Kentucky and it was a dog fight from that point on. We were tense.

We have not been successful in the first game of the SEC Tournament and I know that was on our minds. We did not play with confidence. At the end of the game we did some things we had to do.

On A.J. 1+1 at the end of the game. I told her 99 times I would want her at the line in that situation.

We played excellent defense in critical situations.

On the last play of the game: We wanted the 5 second call, we put 6-4 Karen Linder on the ball and pressured Leslie Nichols as well. It worked. When you get into post season play in the SEC, it is always anybody's ballgame. I'm just glad the first one is over and we won't

VANDERBILT COACH PHIL LEE

"My congratulations to LSU and Sue Gunter...they earned the victory with outstanding defensive pressure and a fine offensive game. Their pressure hurt us and we didn't handle it well.

We started out in good shape, but as the game progressed, we wore down. Without an active (Karen) Booker, losing Turner and freshmen guards, we aren't at our best.

We're 22-8 and hopefully this loss won't signify the end of our season. We are hopeful of post season play. Tonight's loss was a disappointment, but the season was not a disappointment. I don't think a loss in the SEC Tournament is a travesty, it's harder to win here than in the NCAA."

LSU COACH SUE GUNTER

"I thought particularly in the first half, and this sounds like a replay, but we were a little tentative on offense and the defense did a good job. Vandy is an outstanding scoring basketball team and we went cold in the first half and were able to just hang on.

"Our half court man defense gave them a lot of trouble.

"I think emotionally, it was hard for them to get up for two tough games in a row.

(About facing Ole Miss tomorrow night). "It is tough to beat Ole Miss once and even tougher to beat them twice. And to beat them three times in a year is ever tougher and that is the situation we face tomorrow."

(About facing Georgia tomorrow night) "I don't think the Boston Celtics could beat Georgia now.

"This is the first time we've been in the finals and we're very grateful. Everything after tonight is gratus and we're going to go out their tomorrow and play good tough basketball. Yes, we will show up.

"We've had a lot of injury problems this year. This is the first time that we have had all 13 people healthy and this is the best we have played all year."

COACHES QUOTES - SEC CHAMPIONSHIP GAME

LSU COACH SUE GUNTER -- "First I would like to say that I tried to get in touch with Andy (Ga. coach Landers) before the start of the second half and tried to call off the game.

"Other than McClain and Edwards, we would have tried to use a 2 on each or a 2-3 defense. But if you did that, other people like O'Connor and K.K. (Ga. guard Mikes) would hurt you.

"I think all of a sudden our kids woke up in the second half and thought that they were in the finals of the SEC Tournament. I am very proud of this team. I hope they have learned something from this.

"I am sure glad the game is over. And I am glad that Georgia is in the SEC. Someone will have to do some doings to beat them in the national championships.

"I really felt the constant pressure that Georgia gave us hurt. Andy did a good job of changing defenses on us. Georgia did much better in the half court offense in the second half. We tried about as much as you can try out there tonight.

"What we have to do is give the kids 2-3 days rest and for the coaches, we will be recruiting the rest of the week and then we'll come back to work. What we'll probably work on is the full and half court pressure.

"If we (SEC) don't have six teams in the national championship, then's something terribly, terribly wrong.

"I feel not only are they (Georgia) that much ahead of the rest of the conference, but they are also ahead of all the teams but one in the country. (Texas)

LSU Center Alisha Jones -- I'm not down about the game. I'm just happy to be here playing in the game. Katrina and Theresa did the job and I was getting kind of frustrated out there.

GEORGIA COACH ANDY LANDERS -- "I really think that LSU was a good opponent for us tonight, especially in the first half. There were two things that we wanted to do and do well tonight. We felt that we could pressure them on defense and on offense at the full court level. We did that early in the game and got some turnovers. Then our pressure started to fade away and lost its effect.

"When we didn't press, they put the ball inside on us. We then got whipped on the boards. Those two things would make us a better team in the first half and we didn't do that.

After the half, we wanted to come back out and establish some pressure defensively and reestablish our rebounding. We were able to do that in the second half. After that, it got to be a blow out. We scored a lot of points in the second half, were better defensively and we out rebounded them."
