SEC MISC. NOTES

FIRST-YEAR COACHES IN THE SEC

This year, Florida's Will Muschamp and Vanderbilt's James Franklin are in their first seasons as head coaches in the Southeastern Conference. Judging by history, success for first-year coaches is difficult in the SEC.

Since 1977, there have been 60 first-year coaches in the SEC. Of those, exactly half (30) have finished their inaugural season with a sub-.500 mark. The cumulative record for those 60 coaches is 339-353-7 (.490).

There have been some exceptions to the rule since 1997. Auburn's Terry Bowden was 11-0 in 1993, LSU's Mike Archer was 10-1-1 in 1987, Tennessee's Phillip Fulmer was 10-2 in 1993 and LSU's Les Miles was 11-2 in 2005.

The average record of the 60 coaches in their inaugural seasons - 5.6 wins against 5.9 losses.

However, quite a few of the 60 went on to have stellar sophomore seasons in the SEC. Auburn's Gene Chizik and Florida's Urban Meyer won BCS National Championships in their second seasons. Alabama's Nick Saban went from 7-6 in 2007 to 12-2 and a Sugar Bowl game in 2008 and Georgia's Jim Donnan went from 5-6 in 1996 to 10-2 and an Outback Bowl berth in 1997. Mississippi State's Dan Mullen went from 5-7 in 2009 to 9-4 and a Gator Bowl game in 2010 and South Carolina's Lou Holtz went from 0-11 in 1999 to 8-4 and the Outback Bowl in 2000.

SEC DIVISIONAL TIE-BREAKER

In the event of a tie for the division championship, the following procedures will be used to break all ties to determine the SEC Football Championship Game representative. All Conference versus Conference Games (both division and non-division) will be counted in the Conference Standings.

Two-Team Tie. In the event two teams are tied for a division title, the following procedure will be used in the following order:

- Head-to-head competition between the two tied teams;
- Records of the tied teams within the division;
- Head-to-head competition against the team within the division with the best overall (divisional and non-divisional) Conference record, and proceeding through the division (multiple ties within the division will be broken from first to last and a tie for first place will be broken before a tie for fourth place);
- Overall record against non-divisional teams;
- Combined record against all common non-divisional teams;
- Record against the common non-divisional team with the best overall Conference record (divisional or non-divisional) and proceeding through other common non-divisional teams based on their order of finish within their division; and
- The tied team with the highest ranking in the Bowl Championship Series Standings following the last weekend of regular-season games shall be the divisional representative in the SEC Championship Game.

Three-Team Tie (or more). If three teams are tied for a division title, the following procedure will be used in the following order: (Note: If one of the procedures results in one team being eliminated and two remaining, the two-team tiebreaker procedure as stated in No. 1 above will be used):

- Combined head to head record among the tied teams;
- Record of the tied teams within the division;
- Head to head competition against the team within the division with the best overall Conference record (divisional and non-divisional) and proceeding through the division (multiple ties within the division will be broken from first to last and a tie for first place will be broken before a tie for fourth place);
- Overall Conference record against non-divisional teams;
- Combined record against all common non-divisional teams;
- Record against the common non-divisional team with the best overall Conference record (divisional and non-divisional) and proceeding through other common non-divisional teams based on their order of finish within their division; and

G. The tied team with the highest ranking in the Bowl Championship Series Standings following the last weekend of regular-season games shall be the divisional representative in the SEC Championship Game, unless the second of the tied teams is ranked within five-or-fewer places of the highest-ranked tied team. In this case, the head-to-head results of the top two ranked tied teams shall determine the representative in the SEC Championship Game.

SEC FOOTBALL VIDEO REPLAY

THE OBJECTIVE

To allow for specific types of officiating calls to be immediately reviewed during all games hosted by SEC teams.

THE COACHES' CHALLENGE

The head coach may challenge the ruling of any reviewable play. He retains a challenge if his initial challenge is successful and thus results in a reversal by the replay official. The head coach will then have a single challenge that he may use anytime during the game if his team has not used all its timeouts. Thus a team may have a total of two challenges in the game, but only if the first results in a reversal of the on-field ruling.

THE SOURCE

All reviewable video comes direct from either the television network broadcasting the game or other TV production facilities that meet established conference standards. The Southeastern Conference has used instant replay since 2005.

THE PLAYS

Reviewable

1. Plays governed by Sideline, Goal Line, End Zone, and End Line:
 - a. Scoring Plays, including the ball in possession of a runner breaking the plane of the goal line
 - b. Runner/receiver in or out of bounds
 - c. Recovery of loose ball in and out of bounds
2. Passing Plays:
 - a. Pass ruled complete/ incomplete/ intercepted in the field of play and end zones
 - b. Touching of a forward pass by a player or an official
 - c. Illegal forward pass or illegal handing off beyond the line of scrimmage
 - d. Illegal forward pass or illegal handing off after change of possession
 - e. Forward or backward pass thrown from behind the line of scrimmage
 - f. Quarterback (Passer) starts arm forward, ball comes loss and play is ruled incomplete (if ball is quickly recovered)
 - g. Quarterback (Passer) throws incomplete swing pass that is close to being forward or backward, and pass is ruled forward (if ball is quickly recovered)
3. Miscellaneous:
 - a. Runner ruled not down.
 - b. Runner ruled down (when ball carrier is judged down by rule and the ball is fumbled, play may be reviewed if recovery of ball occurs in the immediate action following fumble and is prior to any official signaling ball is dead. Also reviewable when runner is ruled out of bounds near goal line.)
 - c. Forward progress with respect to first down
 - d. Touching of a kick
 - e. Number of players on field
 - f. Clock adjustments (in conjunction with reviewed plays)
 - g. Fourth-down/try fumble plays
 - h. Field Goal Attempts (only when ball is ruled below or above the crossbar, inside or outside the uprights when it is lower than the top of the uprights.)
 - i. The game clock expires at the end of a half. If at the end of the game, the time may be restored to the clock only if the score is tied or the team that would next snap the ball trails by eight points or fewer.

Not Reviewable

Fighting participants, Off-sides/Encroachment, Pass interference, Roughing passer/kicker, Illegal formations, Taunting/Other unsportsmanlike conduct, Face mask, Taunting, Illegal blocks, Holding, Personal fouls.

THE PROCESS

Each SEC football stadium has a secured replay booth equipped with the HD Instant Replay system provided by XOS Digital. Three individuals work in the booth for the duration of the game: 1. Replay Official, 2. Communicator, 3. Technician. The Replay Official and the Communicator are selected and assigned by the Conference Office.

A live HD video feed is sent directly to the replay booth from the TV truck. The Technician watches the feed on an input monitor while recording it into the XOS Digital Replay System. The Technician also marks the beginning of each play while the Communicator marks all incoming replays.

Each play and subsequent replay then appears on a touch screen in front of the Replay Technician.

As the Technician and the Communicator mark the incoming video, each view will appear as a small picture on the computer touch screen. At any time, the Replay Technician can touch the thumbnail and immediately send that play or replay to the Replay Official.

With the Communicator's assistance, the Replay Official can quickly jump between replays while playing back the video. All replay video navigation is done via a jog shuttle remote controlled by the Replay Official. All video is viewed on an HD monitor that sits in front of the Replay Official. The touch screen is only used to select the replays and to log specific play data in the event a call is overturned.

While all plays are reviewed between the whistle and the beginning of the next play, the Replay Official can stop play on the field by using a pager system. Five onfield officials wear pagers. If play is stopped the Referee announces on the stadium PA microphone that play has been stopped so the previous play can be reviewed. The Referee then proceeds to the sideline headset, which provides direct communication to the Replay Official in the booth. Once the play has been reviewed, the Replay Official notifies the Referee, who then announces the decision on the stadium PA system.

NEW FOR 2011

* Monitors may be used to view a live telecast or webcast in the football coaching booth. The home team is responsible for assuring identical television capability in the coaches' booths of both teams. This capability may not include replay equipment or recorders.

* If at the end of a half the game clock expires, either during a down in which it should be stopped by rule when the ball becomes dead or following the down upon a request for an available team timeout, the replay official may restore time only under these conditions:

1. The replay official has indisputable video evidence that time should have remained on the game clock when the ball became dead or when the team timeout was granted;
2. The team in possession when the ball became dead would next put the ball in play from scrimmage;
3. In the fourth quarter only, either the score is tied or the team that will next snap the ball is behind by eight points or fewer; and
4. The replay official's video evidence includes the timeout signal by an official in the case where the game clock should have stopped for a requested team timeout.

THE EQUIPMENT

Each SEC member institution uses the HD Replay System developed by XOS Digital of Orlando, FL. The replay systems are maintained by the home institution with technical support from XOS Digital.

SEC BOWL AGREEMENTS

The Southeastern Conference has agreements to send nine of its member institutions to postseason bowl games following the 2011 season.

The winner of the SEC Championship Game will automatically participate in the Bowl Championship Series comprised of the Sugar, Rose, Orange and Fiesta Bowls.

The Capital One Bowl has the second selection, making its pick following the BCS selections. The bowl must select the team with the next best overall record or a team that is within one win of the team with the next best overall record.

The AT&T Cotton and the Outback Bowls share the third and fourth selections from the SEC. The Cotton Bowl has the first preference of teams from the Western Division and the Outback Bowl has first preference of teams from the Eastern Division. The Cotton or Outback Bowl can select teams outside of its divisional preference, but must not select them before the opposite bowl selects from its divisional preference.

The Chick-fil-A Bowl has the fifth selection of preference from the SEC.

The TaxSlayer.com Gator Bowl has the sixth selection and the Franklin American Mortgage Music City Bowl has the seventh pick from the SEC.

The AutoZone Liberty and BBVA Compass Bowls share the eighth and ninth selections.

THIS IS THE SOUTHEASTERN CONFERENCE

SEC MISSION STATEMENT

"The purpose of the Southeastern Conference is to assist its member institutions in the maintenance of programs of intercollegiate athletics which are compatible with the highest standards of education and competitive sports."

THE SEC

The Southeastern Conference sponsors championships in 20 sports – 11 women's sports and nine men's sports. They include baseball, men's and women's basketball, men's and women's cross country, football, men's and women's golf, gymnastics, soccer, softball, men's and women's swimming and diving, men's and women's tennis, men's and women's indoor and outdoor track and field, and volleyball.

SOUTHEASTERN CONFERENCE COMPLETES ANOTHER BANNER YEAR

SEC Student-Athletes Earn NCAA Academic Awards

The Southeastern Conference had 14 of its student-athletes earn NCAA Post-Graduate Scholarships in 2010-11. The scholarships are awarded to student-athletes who excel academically and athletically and who are at least in their final year of intercollegiate athletics competition. The SEC's 14 is the second highest total of FBS conferences.

The SEC had two student-athletes awarded among the NCAA's Today's Top VIII. The award recognizes eight current student-athletes who will have completed their athletics eligibility for their successes on the fields and courts, in the classroom and in the community. No other conference had more than one earn this honor in 2010-11.

The league also had three student-athletes earn the Elite 88 award, which is awarded to the student-athlete with the highest cumulative GPA in an NCAA Championships event.

SEC captures six national titles; five more finish national runners-up

The Southeastern Conference had either the national champion or the national runners-up in ten sports in 2010-11.

SEC teams won six national championships in 2010-11. These include football (Auburn), men's indoor track and field (Florida), baseball (South Carolina), women's tennis (Florida), gymnastics (Alabama) and rifle (Kentucky). The SEC also had national runners-up finishes in baseball (Florida), men's golf (Georgia), softball (Florida), women's swimming and diving (Georgia) and bowling (Vanderbilt).

In all, the SEC had at least one team finish in the top five in 15 of its 20 sponsored sports. The SEC does not sponsor championships in rifle or bowling.

In its 78 year history, the Southeastern Conference has won 189 team national championships, including 67 since 2000. Since 2000, the SEC has won at least one national championship in 16 of its 20 sponsored sports with the exception of women's cross country, volleyball, soccer and softball.

SEC leads all conferences in 2010-11 Men's Sports Conference vs. Conference Survey; 3rd in Women's Sports

In a statistical survey that is based on NCAA championship and rankings, the Southeastern Conference placed first in the nine men's sports it sponsors and third in the 11 women's sports the league sponsors.

The survey, compiled each year since 1986 by Bo Carter, takes into account final NCAA championship standings in each sport and poll rankings in football. Each conference gets 20 points for a team that wins a national championship, 19 for a second place finish and down to 1 point for a 20th place finish.

In the nine men's sports the SEC sponsors, the SEC had 398 points with the Pac-10 coming in second with 322.5 points, followed by the Big 12 with 304.5 points, Big Ten with 260 points, ACC with 255 points and the Mountain West with 85.5 points.

In the 11 women's sports the SEC sponsors, the Pac-10 was first with 572.5 points followed by the Big 12 with 440.5 points and the SEC with 403 points. The ACC was fourth with 276 points followed by the Big Ten at 220.5 and the Big East with 200.5 points.

Combining the 20 sponsored sports, the Pac-10 had 895 points followed by the SEC with 801 points, Big 12 with 745 points, ACC with 531 points, Big Ten with 480.5 points and the Big East with 255.5 points.

The SEC has had the highest men's point total in 18 of the last 20 seasons (exceptions: 2007-08: Big 12; 1997-98: Pac-10). The Pac-10 has had the highest women's point totals each year since 1986 with the exception of five years the SEC has had the highest total (1990-91; 1995-96; 2004-05; 2006-07; 2009-10).

SEC LEADS NATION IN CAPITAL ONE ACADEMIC ALL-AMERICANS

The Southeastern Conference had 43 Capital One Academic All-Americans in 2010-11, more than any other conference. The league had 23 student-athletes earn first-team honors, an all-time high for the SEC.

The Capital One Academic All-America Teams are voted on by the College Sports Information Directors of America (CoSIDA).

The 43 student-athletes represent 11 of the 12 SEC schools while 10 schools had someone on the first-team. Since 2003, the SEC has had 148 student-athletes earn first-team Capital One Academic All-American status.

The SEC placed 43 on the first, second and third teams, which was four more than the Big 12, which was second, and the eight more than the Pac-10, which was third. The 23 first-teamers from the SEC were five more than the Pac-10, which was second with 18.

"Student-athletes from the SEC achieve amazing results both on and off the playing courts and fields," said SEC Commissioner Mike Slive. "Student-athletes can realize their hopes and dreams and create a solid foundation for life in the Southeastern Conference."

The SEC had two of its student-athletes earn Capital One Academic All-American of the Year for their respective sports – Alabama's Kayla Hoffman (Gymnastics) and Alabama's Greg McElroy (Football).

The list of student-athletes from the SEC that achieved Academic All-America status is:
