### SEC BOWL AGREEMENTS

The Southeastern Conference has agreements with nine postseason bowls and a new process for the assignment of SEC member schools to bowl games, beginning with the 2014 season and extending for six years.

The new SEC bowl process coincides with the beginning of the new College Football Playoff that follows the 2014 college football season. The SEC will also participate in the Allstate Sugar Bowl and the Orange Bowl (in selected years).

Under the new SEC bowl system, the Capital One Bowl in Orlando (vs. Big Ten/ACC), a longtime SEC bowl, will have the first selection of available SEC teams after any conference schools have qualified for the College Football Playoff, the Allstate Sugar Bowl or the Orange Bowl.

Following the Capital One Bowl, there will be a pool of six bowls comprised of renewals with the Outback Bowl in Tampa (vs. Big Ten), Franklin American Mortgage Music City Bowl in Nashville (vs. ACC/Big Ten), TaxSlayer Bowl in Jacksonville (vs. ACC/Big Ten) and AutoZone Liberty Bowl in Memphis (vs. Big 12), as well as new agreements with the Advocate V100 Texas Bowl in Houston (vs. Big 12) and Belk Bowl in Charlotte (vs. ACC).

In consultation with SEC member institutions, as well as these six bowls, the conference will make the assignments for the bowl games in this newly created pool system.

The SEC has also renewed its relationship with both the Birmingham Bowl (vs. American) and the Independence Bowl in Shreveport (vs. ACC). The Birmingham Bowl will have the first selection of available teams following the pool of six bowls. The Duck Commander Independence Bowl will have the next selection of available teams following the Birmingham Bowl.

## 2014 SEC FOOTBALL VIDEO REPLAY

### THE OBJECTIVE

To allow for specific types of officiating calls to be immediately reviewed during all games hosted by SEC teams.

### THE COACHES' CHALLENGE

The head coach may challenge the ruling of any reviewable play. He retains a challenge if his initial challenge is successful and thus results in a reversal by the replay official. The head coach will then have a single challenge that he may use anytime during the game if his team has not used all its timeouts. Thus a team may have a total of two challenges in the game, but only if the first results in a reversal of the on-field ruling. A head coach may not challenge an on-field ruling if all of the team's timeouts have been used for that half or extra period.

### THE SOURCE

All reviewable video comes direct from either the television network broadcasting the game or other TV production facilities that meet established conference standards. The Southeastern Conference has used instant replay since 2005.

### THE PLAYS

#### Scoring Plays

Reviewable plays involving a potential score include:

a. A potential touchdown or safety.

[Exception: Safety by penalty for fouls that are not specifically reviewable with the exception of the location of the passer when an intentional grounding foul results in a safety.]

b. Field goal attempts if and only if the ball is ruled (a) below or above the crossbar or (b) inside or outside the uprights when it is lower than the top of the uprights. If the ball is higher than the top of the uprights as it crosses the end line, the play may not be reviewed.

#### Passes

Reviewable plays involving passes include:

a. Pass ruled complete, incomplete or intercepted anywhere in the field of play or an end zone.

b. Forward pass touched by a player or an official.

c. Forward pass or forward handing when a ball carrier is or has been beyond the neutral zone.

d. A forward pass or forward handing after a change of team possession.

e. Pass ruled forward or backward when thrown from behind the neutral zone.

1. If the pass is ruled forward and is incomplete, the play is reviewable only if there is clear recovery of a loose ball in the immediate continuing action after the loose ball or if the ball is out of bounds. If the replay official does not have indisputable video evidence as to which team recovers, the ruling of incomplete pass stands.

2. If the replay official reverses an incomplete forward pass ruling and the ball is recovered, it belongs to the recovering team at the spot of the recovery and any advance is nullified.

## Dead Ball and Loose Ball

Reviewable plays involving potential dead balls and loose balls include:

- a. Loose ball by a potential passer ruled a fumble.
- b. Loose ball by a passer ruled incomplete forward pass when there is clear recovery in the immediate continuing action after the loose ball.
  1. If the replay official does not have indisputable video evidence as to which team recovers, the ruling of incomplete pass stands.
  2. If the replay official rules fumble, the ball belongs to the recovering team at the spot of the recovery and any advance is nullified.
- c. Live ball not ruled dead in possession of a ball carrier.
- d. Loose ball ruled dead, or live ball ruled dead in possession of a ball carrier when the clear recovery of a loose ball occurs in the immediate continuing action.
  1. If the ball is ruled dead and the replay official does not have indisputable video evidence as to which team recovers, the dead-ball ruling stands.
  2. If the replay official rules that the ball was not dead, it belongs to the recovering team at the spot of the recovery and any advance is nullified.
- e. Ball carrier's forward progress with respect to a first down.
- f. Catch or recovery of a fumble by a Team A player other than the fumbler before any change of possession during fourth down or a try.
- g. Ball carrier in or out of bounds. If a ball carrier is ruled out of bounds, the play is not reviewable, except as in Rules 12-3-1-a and 12-3-3-d.
- h. Catch, recovery or touching of a loose ball by a player potentially touching or having touched a sideline or end line or in the field of play.
- i. A loose ball touching on or beyond a sideline, goal line, or end line, touching a pylon, or breaking the plane of a goal line.

## Kicks

Reviewable plays involving kicks include:

- a. Touching of a kick.
- b. Player beyond the neutral zone when kicking the ball.
- c. Kicking team player advancing a ball after a potential muffed kick/fumble by the receiving team.
- d. Scrimmage kick crossing the neutral zone.

## Miscellaneous

Situations that may be addressed by the replay official:

- a. The number of players on the field for either team during a live ball.
- b. Clock adjustment and status when a ruling is reviewed.
- c. Clock adjustment at the end of any quarter. If at the end of any quarter the game clock expires, either during a down in which it should be stopped by rule when the ball becomes dead or following the down upon a request for an available team timeout, the replay official may restore time only under these conditions:
  1. The replay official has indisputable video evidence that time should have remained on the game clock when the ball became dead or when the team timeout was granted;
  2. In the second and fourth quarters only, the team in possession when the ball became dead would next put the ball in play from scrimmage (not the try);
  3. In the fourth quarter only, either the score is tied or the team that will next snap the ball is behind by eight points or fewer; and
  4. The replay official's video evidence includes the timeout signal by an official in the case where the game clock should have stopped for a requested team timeout.
- d. Correcting the number of a down.
  1. This includes the result of a penalty enforcement that includes an automatic first down or loss of down.
  2. The correction may be made at any time within that series of downs or before the ball is legally put in play after that series.
- e. Any person who is not a player interfering with live-ball action occurring in the field of play (Rule 9-2-3).
- f. The player disqualification portion and the penalty for targeting fouls under 9-1-3 and 9-1-4. Forcible contact to the head or neck area of the crown of the helmet are reviewable. Note that if the disqualification is reversed and the only foul is Targeting, the 15 yard penalty will not be enforced.

## Limitations on Reviewable Plays

No other plays or officiating decisions are reviewable. However, the replay official may correct egregious errors, including those involving the game clock, whether or not a play is reviewable. This excludes fouls that are not specifically reviewable (Reviewable fouls: Rules 12-3-2-c and d, 12-3-4-b and 12-3-5-a).

## **THE PROCESS**

Each SEC football stadium has a secured replay booth equipped with the HD Instant Replay system provided by DVSPORT. Three individuals work in the booth for the duration of the game: 1. Replay Official, 2. Communicator, 3. Technician. The Replay Official and the Communicator are selected and assigned by the Conference Office.

A live HD video feed is sent directly to the replay booth from the TV truck. The Technician watches the feed on an input monitor while recording it into the DVSPORT Replay System. The Technician also marks the beginning of each play while the Communicator marks all incoming replays.

Each play and subsequent replay then appears on a touch screen in front of the Replay Technician. As the Technician and the Communicator mark the incoming video, each view will appear as a small picture on the computer touch screen. At any time, the Replay Technician can touch the thumbnail and immediately send that play or replay to the Replay Official.

With the Communicator's assistance, the Replay Official can quickly jump between replays while playing back the video. All replay video navigation is done via a jog shuttle remote controlled by the Replay Official. All video is viewed on an HD monitor that sits in front of the Replay Official. The touch screen is only used to select the replays and to log specific play data in the event a call is overturned.

While all plays are reviewed between the whistle and the beginning of the next play, the Replay Official can stop play on the field by using a pager system. Six of the seven on-field officials wear pagers. If play is stopped the Referee announces on the stadium PA microphone that play has been stopped so the previous play can be reviewed. The Referee then proceeds to the sideline headset, which provides direct communication to the Replay Official in the booth. Once the play has been reviewed, the Replay Official notifies the Referee, who then announces the decision on the stadium PA system.

## **RECENT ADDITIONS**

\* Monitors may be used to view a live telecast or webcast in the football coaching booth. The home team is responsible for assuring identical television capability in the coaches' booths of both teams. This capability may not include replay equipment or recorders.

\* If at the end of a half the game clock expires, either during a down in which it should be stopped by rule when the ball becomes dead or following the down upon a request for an available team timeout, the replay official may restore time only under these conditions:

1. The replay official has indisputable video evidence that time should have remained on the game clock when the ball became dead or when the team timeout was granted;
2. The team in possession when the ball became dead would next put the ball in play from scrimmage;
3. In the fourth quarter only, either the score is tied or the team that will next snap the ball is behind by eight points or fewer; and
4. The replay official's video evidence includes the timeout signal by an official in the case where the game clock should have stopped for a requested team timeout.

## **THE EQUIPMENT**

Each SEC member institution uses the HD Replay System developed by DVSPORT. The replay systems are maintained by the home institution with technical support from DVSPORT.

During the last eight years (2006-13), Southeastern Conference football has experienced success that is unparalleled in its football history and in the history of college football. During this tenure, the SEC's achievements have been demonstrated by:

- Triumphs in BCS bowl games, including the BCS National Championship Game
- Non-conference success in regular season and bowl games
- Defeating highly-ranked non-conference teams
- Success in the polls and rankings
- Individual awards and All-America Teams
- Academic and Community Service Standouts
- Continued accomplishments of former SEC student-athletes in the NFL

### SEC IN THE BCS ERA

• The SEC has won seven of the last eight national championships, nine of the 16 BCS National Championships, two runner-up finishes and 23 overall national titles (AP, BCS, FWAA, coaches poll). The SEC appeared in 10 of the 16 BCS Championship Games, winning nine.

• Four different SEC schools have won the BCS National Championship since 2006 (Auburn, 2010; Alabama, 2009, 2011, 2012; Florida, 2006 and 2008; LSU, 2007). Tennessee (1998) and LSU (2004) have also won the BCS crown. Auburn also appeared in the 2013 BCS Championship Game. A team from the SEC Western Division has advanced to five consecutive national championship games. The Big 12 (Texas and Oklahoma) and the ACC (Miami and Florida State) have each had two schools win titles since 1998.

• Since 2006, more than half of the slots in the BCS National Championship Game have been taken by SEC teams (10 of 18). The Big Ten and the Big 12 have two each, while the ACC and Pac-10 each have one.

• An SEC team has led or tied for the lead at the end of 27 of the last 32 quarters of BCS National Championship Game play.

• Since 2006, an SEC team has been ranked first in the weekly BCS standings in 36 of the 65 weeks, with four different teams holding the top spot. Florida was first for seven weeks, Alabama for 16 weeks, Auburn for three and LSU for 10 weeks, including six of the nine polls this season. The Big Ten has held the top spot for 15 weeks (all Ohio State), the Big 12 for six weeks (Texas and Oklahoma twice, Missouri and Kansas State once) and the Pac-10 four weeks (all Oregon). The ACC (Florida State) held the top spot in the final poll in 2013.

• The SEC has had more teams ranked in the BCS standings for the most times than any other conference since 2006. The league has had 13 of its 14 teams ranked at one time or another since 2006. The SEC breakdown: LSU (62), Alabama (52), Florida (41), Auburn (38), South Carolina (38), Georgia (35), Arkansas (23), Texas A&M (17), Tennessee (14), Mississippi State (12), Missouri (9), Kentucky (4) and Ole Miss (4). Vanderbilt is the only team to not appear in the BCS rankings during this time, however, the Commodores finished ranked in the Top 25 in both 2012 and 2013 after bowl games with 9-4 records. The BCS does not produce a poll following bowl games.

• Since 2006, the SEC has posted a 10-6 record in BCS bowl games, more wins than any other conference. Here are the BCS bowl records of all conferences since 2006:

SEC	10-6	.625
Pac-12	7-4	.636
AAC	5-3	.625
Big 12	5-7	.417
Big Ten	5-9	.357
ACC	4-6	.400
Mountain West	2-1	.667
WAC	2-1	.667
MAC	0-1	.000
Independents	0-2	.000

• Three of the top nine defensive performances in BCS history have been registered by SEC teams, more than any other conference. Alabama's shutout of LSU in the 2012 BCS National Championship Game was the first shutout in BCS history. Georgia defeated Hawaii, 41-10, in the 2008 Sugar Bowl, and Florida defeated Syracuse, 31-10, in the 1999 Orange Bowl - both are tied for 7th in lowest point total allowed in a BCS game.

• Alabama's 28-point victory over Notre Dame in the 2013 Discover BCS National Championship is the second-largest in the BCS era. (Southern Cal defeated Oklahoma by 36 in the 2005 BCS Championship Game for the top spot, however, that victory was later vacated.)

• During the recent seven-year winning streak, the SEC's average margin of victory in BCS National Championship Games is 17 points, which includes a three point victory over Oregon in 2011, the only game during the streak decided by single digits.

### SEC IN OVERALL BOWL GAMES

• Since 2006, the SEC has accrued more bowl wins (49) and appearances (83) than any other conference. The conference's .671 bowl winning percentage is first among FBS leagues during that time.

SEC	49-24	.671
American	28-15	.651
Mountain West	24-16	.600
Sun Belt	11-8	.579
Pac-12	26-19	.578
Big 12	32-30	.516
Conference USA	22-23	.489
Independents	8-9	.471
ACC	28-39	.418
Big Ten	21-40	.344
MAC	10-28	.263

• In the 2013-14 bowl season, the SEC had the most wins (7) and had the second highest win percentage (7-3, .700), first among conferences that had three-or-more teams in bowl games. The seven victories tied the SEC's own record for most bowl wins in history by a single conference.

• In January bowl games, the SEC is 31-15 (.674) against non-conference competition. Since 2008, the league is 25-11 (.694) against non-conference foes in January bowl games.

### SEC vs. OTHER CONFERENCES

• Since 2006, the SEC has posted the highest non-conference winning percentage (regular season & bowls) than any other conference. The league has a 387-86 record, an 81.8 winning percentage. The SEC has won no less than 43 non-conference games (regular season & bowls) during the last eight seasons (2006-2013). This season, the SEC was 54-12 (.818), the highest percentage among FBS conferences.

• Teams from the SEC have posted 48 wins in the last seven years against non-conference Top 25 teams (at time game was played), an average of six wins per season. Ten of the 14 SEC teams have at least one win against a non-conference Top 25 team in the last seven years with LSU (9), Georgia (8), Alabama (7), Florida (5), South Carolina (7) Auburn (3) and Texas A&M (2) leading the way. SEC teams have beaten teams ranked 1-25 since 2006 with the exception of No. 6.

### NOTES

- The 101 combined points is a game record, smashing the 73 done in 2010 (Auburn 56, South Carolina 17). The 55 combined first half points was also a record, bettering the 42 done in that same game. The halftime total was more than the combined total of 15 previous championship games.

- Auburn's Tre Mason set three individual championship game rushing marks.
- His 304 rushing yards bettered the 201 set by LSU's Justin Vincent in 2003. The 304 yards is also the fifth-highest total in conference.

- His 46 rushing attempts bettered the 31 set by Tennessee's Jamal Lewis in 1997. That total is the second-most in SEC history trailing only the 47 by Georgia's Herschel Walker against Florida in 1981.

- His four rushing touchdowns broke Alabama's Mark Ingram's 2009 total and the most scores in the game with Florida's Reidel Anthony in 1996 and LSU's Kenny Hilliard in 2011 who had three each.

SEC CHAMPIONSHIP GAME

SEC DIVISIONAL TIE-BREAKER

In the event of a tie for the division championship, the following procedures will be used to break all ties to determine the SEC Football Championship Game representative. All Conference versus Conference Games (both division and non-division) will be counted in the Conference Standings.

1. **Two-Team Tie.** In the event two teams are tied for a division title, the following procedure will be used in the following order:

- A. Head-to-head competition between the two tied teams;
- B. Records of the tied teams within the division;
- C. Head-to-head competition against the team within the division with the best overall (divisional and non-divisional) Conference record, and proceeding through the division (multiple ties within the division will be broken from first to last and a tie for first place will be broken before a tie for fourth place);
- D. Overall record against non-divisional teams;
- E. Combined record against all common non-divisional teams;
- F. Record against the common non-divisional team with the best overall Conference record (divisional or non-divisional) and proceeding through other common non-divisional teams based on their order of finish within their division;
- G. Best cumulative Conference winning percentage of non-divisional opponents;

Example: Tied Teams Non-Divisional Opponents Cumulative Record

Western 1 Eastern Opponents: 14-2  
 Western 2 Eastern Opponents: 12-4  
 (Western 1 would be the representative)

H. Coin flip of the tied teams.

2. **Three-Team Tie (or more).** If three teams (or more) are tied for a division title, the following procedure will be used in the following order: (Note: If one of the procedures results in one team being eliminated and two remaining, the two-team tiebreaker procedure as stated in No. 1 above will be used):

- A. Combined head-to-head record among the tied teams;
- B. Record of the tied teams within the division;
- C. Head-to-head competition against the team within the division with the best overall Conference record (divisional and non-divisional) and proceeding through the division (multiple ties within the division will be broken from first to last and a tie for first place will be broken before a tie for fourth place);
- D. Overall Conference record against non-divisional teams;
- E. Combined record against all common non-divisional teams;
- F. Record against the common non-divisional team with the best overall Conference record (divisional and non-divisional) and proceeding through other common non-divisional teams based on their order of finish within their division; and
- G. Best cumulative Conference winning percentage of non-divisional opponents

(Note: If two teams' non-divisional opponents have the same cumulative record, then the two-team tiebreaker procedures apply. If four teams are tied, and three teams' non-divisional opponents have the same cumulative record, the three-team tiebreaker procedures will be used beginning with 2.A.);

Example: Tied Teams Non-Divisional Opponents Cumulative Record

Western 1 Eastern Opponents: 14-2  
 Western 2 Eastern Opponents: 12-4  
 Western 3 Eastern Opponents: 8-8  
 (Western 1 would be the representative)

H. Coin flip of the tied teams with the team with the odd result being the representative (Example: If there are two teams with tails and one team with heads, the team with heads is the representative).
